Maison de plain-pied - Alicante, Ciudad Quesada #21348

€150,000

A fifteen minute walk from the centre of Ciudad Quesada and a mere 1 minute walk from the local mini-market, newsagent, bars and restaurants, there are a whole host of reasons why this fantastic bungalow should be on your viewing list. Aside from it's close proximity to everything you could need for daily living, it's also about a 5 minute drive to the La Marquesa golf course, the Recorral park (a huge multi-purpose recreational area) and very close to Torrevieja, Elche, Orihuela and a 40 minute drive to Alicante airport. The bungalow is in great condition. The plot is spacious and has a summer kitchen, an outside toilet and a new jacuzzi. Internally the bungalow is deceptively spacious with a huge open plan lounge, diner and kitchen. The two bedrooms are also a great size. From one is access to a spiral staircase leading up to the roof terrace which has incredible views to the salt lakes and the Mediterranean. The property is being sold partly furnished and has air conditioning throughout. There is also a pellet burner in the lounge for the cooler winter nights. Under the property is a huge basement which is ideal for storage or to develop into a hobby room or wine cellar. All in all, this is a cracking property at an excellent price. Put it on your "To View" list. You won't be sorry.
